'Recycled Brolga'

Can you make a Brolga from recycled materials?
Yes you can and it will be fun...

Recycled materials can be wire, steel, string, old newspapers, plastics, etc. You could make a Brolga by bending wire, stuffing newspapers into old stockings, using Dad's old beer cans or plastic milk cartons.

4 Categories - Pre-School, Primary, Secondary & Open

Sponsored by -
 Desert Fringe Waste Management Group (\$175)
 West Currie Consultants (\$50)
 

Entries received Tue 13 Nov 2012 at the Edenhope Showground Pavilion when general Edenhope Show entries are being taken from 10am to 7pm. Bring your Brolga with you as it will be judged prior to the Show.

Entries need to be accompanied with a statement to support your Brolga - what it is made of, how much time it took and any other information you think appropriate.

As it is 'National Year of Reading 2012' the Edenhope Library (WRLC) is donating \$25 for the best statement which supports a Brolga. This may not necessarily be for the winning Brolga.

No late entries will be accepted.

(Pre-School entries can be stuck onto paper and don't need a statement)

Entry is free to Show members, but \$1 to non-Show members.
